

Make your own museum chatterbox and explore the Design Museum Brussels while having fun!

Are you ready to take on challenges and explore the Design Museum Brussels while having fun? Your museum chatterbox will guide you through an adventure full of surprises! But before you can play... you'll have to make it first. To help you, follow the steps below to fold it.

Instructions

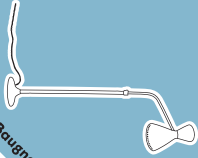

DESIGN MUSEUM
BRUSSELS

Choose an object, describe it and try to make others guess it.

Anna Castelli Ferrieri, Componibili, 1967, Kartell, ITA

Marcel-Louis Braguet, Floor lamp, ca. 1950

Designers are sometimes inspired by things that exist, try to find some in the museum!

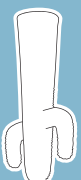

If you could take an object from the museum with you, which one would you pick? Why?

Zéphyr Busine, Lavandou, 1960, Boussu, BEL

Find the object that feels the most comfortable to you. Why?

Guido Drocco, Franco Mello, Cactus, 1997, Gutron, ITA

Fold me!

8 challenges to have fun while discovering the museum!

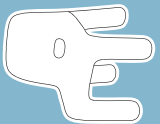

Do you collect something too? If so, what?

Marcello Nizzoli, Laviera 22, 1980, Olivetti, ITA

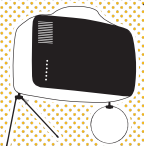

Go back! Move closer! And describe precisely the detail that caught your eye.

Ecobirdy, Charlie, 2018, Ecobirdy, BEL

Choose an object. Describe the colors, shapes and materials you see.

Roger Tallon, Porterie 11.1, 1965, Télévie, FRA

To you, what is the most important thing when you create an object? Its practicality? Its comfort? Its aesthetics? Its material? Why?

Kewlox, Storage unit, ca. 1980, Kewlox, BEL
